Acting Head Teacher Mr P Smith

30th March 2017

Dear Parents/Carers,

Easter Eggstravaganza

'Rewarding the exceptional, not what is expected!'

As part of our new behaviour system, we are rewarding our children with a special Easter Eggstravaganza. This will take place on Friday 7th April and involve the children taking part in an Easter egg hunt and also a session in the hall involving a raffle and craft activities.

The PTA have kindly offered to run this event and have asked if children can bring an optional 50p for a raffle ticket and £1 for some of the craft activities. Please bring the money in on the day in a named envelope. There will, however, be many activities for all the children to take part in without spending money.

With that in mind, we would be grateful if you could donate Easter eggs for raffle prizes by Thursday 6th April and drop them into reception.

Most children in school will be attending our Easter Eggstravaganza because they have maintained a good standard of behaviour throughout the last 6 weeks. However, please be aware that a small number of children may not be able to attend the event because they have not consistently behaved well. In this instance, their class teacher will inform you of this decision before the 7th April. An equal share of eggs, however, will be kept aside for them to take home following the Easter egg hunt.

As ever, we appreciate your continued support and we know that if your child is unable to attend the Easter Eggstravaganza you will encourage them to behave more consistently during the next half term when a new event will take place.

Yours Sincerely,

P. Smith

Acting Headteacher
