Anything you consider inappropriate or makes you concerned however, the disclosure must be in the public interest and raise a concern that:

- b) a person has failed, is failing or is likely to fail to comply with any legal obligation to which he is subject;
- c) a miscarriage of justice has been/is likely to occur;
- d) the health or safety of any individual has been/is likely to be endangered;

If you have concerns then raise it with the Head Teacher.

### What to do if you have concerns with the Head Teacher's conduct.

If the head teacher does not deal with it appropriately or it is the head teacher in question contact the chair of Governors.

If any employee has good reason to believe that:

- a) the complaint or whistleblowing will not be managed properly within the school, or
- b) that he/she will be exposed to victimisation as a result of the complaint; or
- c) the concern is about another school or another service provided by Birmingham City Council;

then the employee may make the complaint directly to Birmingham City Council. People who make a complaint to Birmingham City Council about the school in which they work should set out why they feel unable to make the complaint directly to the school.

Another option is to contact your union for further advice.

For any concern relating to the safety of children in terms of physical, sexual or emotional abuse or neglect or inappropriate behaviour towards a child, please contact the school's DSLs:
