

		I know that words can be put together to build sentences.	I can use the grammar rules set out in my grammar list.		
		I can show you where I can use a capital letter for the names of people, places, the days of the week and when I use I.	When I write, I leave spaces between my words.	I can make words mean more than one object by adding -s or -es. For example, dog and dogs or wish and wishes.	
	I can add endings such as -ing and -ed to words to make new words.	I can add together two sentences using 'and'.	[KEY] I can tell you where I might use a capital letter, a full stop, question marks or exclamation marks in my work.	I understand how adding un to the beginning of some words changes the word to mean the opposite.
